In no event can August Inc. be held responsible for any unsatisfactory upholstery results due to the use of COM/COL.
SAMPLE SUBMISSION	A sample of COM fabric, specifying direction on the upholstered unit for nap, stripe, or pattern must be submitted for inspection. Yardage requirements are based upon 54 inch plain fabric; additional fabric length must be added for narrower or for patterned fabric. Fabric yardage will be specified by August after receipt of fabric sample.
DIRECTION OF FABRIC	Sofas and extended seating units will be applied “railroaded”, with the warp running from left to right across the sofa (and other units on the order). Contact Customer Service for assistance regarding special seaming if fabric cannot be railroaded.
PATTERN REPEAT FABRICS	Patterned fabric containing either horizontal or vertical repeat will be applied at an additional net cost of 10% COM. Yardage requirements for seating units specified for matching the pattern repeats of the COM will be advised by the factory after inspection of the COM sample.
LEATHER	Leather will be applied at grade COL. Before placing an order, submit a sample of COL and advise the average hide sizes available. Quantity of the leather required for the models specified will be advised by the factory after the receipt of the above information. Leather must be shipped rolled on tubes, otherwise it will be returned to supplier.
CALIFORNIA TECHNICAL BULLETIN 133	August seating products in COM require a full-scale burn test for certification. Because the COM itself can burn and cause a test failure, August Inc. will not be responsible for the testing cost of the COM. Contact the factory for COM testing information and costs.
SHIPMENT	<p>Fabric or leather shipment must be freight prepaid. Plant address for UPS or freight delivery: 354 Congress Park Drive, Centerville, Ohio 45459.</p> <p>August Incorporated has no control over the ordering and shipment of customer’s fabric or leather; therefore, the assumption is made that the customer is aware of any delays in delivery of COM. Upon receipt of the material, a shipping date will be issued.</p>
