## WARRANTY

August Incorporated warrants that, for a period of five years after the date of sale of its seating, the structure of the seating will be free from defects in the materials or workmanship or damage occurring from normal use. This warranty covers the structural frame of the seating. August Incorporated further warrants that, on the date of the sale of its seating, the foams in the seating will meet the physical test specifications listed in their then current respective technical reports and that the foams meet California Flammability Bulletin 117 as a minimum.

Fabrics and finishes, including Customer's Own Materials, plastic laminate, solid surface materials, grain and color of hardwoods and their finishes, and other components or mechanisms which August uses in its products are not covered by this warranty. Also not covered are custom products built to specifications not written by August, products which have been modified, and damage caused by improper installation, misuse or abuse, and fire, flood, or other accidental or intentional acts.

Under this warranty, August Incorporated will, at its option, either repair or replace seating returned to it freight prepaid, after an inspection has been made and it has been determined to be a failure covered by this warranty. If so covered, August Incorporated will pay return shipping charges to the customer, provided that such return shipment is made to an address within the continental United States.

This warranty is applicable to products sold by August Incorporated on and after January 1, 1995.

In no event will August Incorporated be liable for any special, indirect, incidental, or consequential damages, or for any charges or expenses incurred with or without August's prior written consent, even if August has been negligent. This warranty is in lieu of all other warranties, express or implied, including without limitation, any warranty of merchantability or fitness for a particular purpose or use or otherwise.

August Fabrics are illustrated on our web site [www.augustinc.com](http://www.augustinc.com)

## Momentum Textiles

In cooperation with Momentum Textiles, August has developed a program for use of Momentum fabrics on August seating.

The August / Momentum Textiles Program enables the customer to issue only one purchase order to August for models of our seating upholstered in the fabrics listed.

Woven Crypton fabrics are shown in italics in the fabric patterns listed on this page.

For detailed information or fabric samples, please call Momentum Customer Service 800-366-6839 or visit their web site: [www.memosamples.com](http://www.memosamples.com)

All Momentum fabrics are subject to availability, and occasional stocking conditions may affect delivery. Momentum reserves the right to discontinue patterns or colors. The selection of any Momentum Textile on this list signifies only that the fabric has been accepted for use on August seating. This acceptance by August Inc. does not constitute any warranty, nor any responsibility on the part of August for the appearance, behavior, durability or upholstery characteristics of the fabric. The customer shall look to Momentum for all fabric warranties.

Direction of fabrics: all fabrics will be applied at the factory's discretion, unless the Customer specifies other-wise. Fabrics are normally applied with the warp running vertically on the seating. For sofas and extended seating units with an extended expanse of fabric without seaming, fabrics will be applied "railroaded", with the warp running from left to right across the sofa (and other units on the order). Contact August Customer Service for assistance with specifications of directional patterns.

# Designtex

In cooperation with Designtex, August has developed a program for use of Designtex fabrics on August seating.

The August / Designtex Program enables the customer to issue only one purchase order to August for models of our seating upholstered in the fabrics listed.

Woven Crypton fabrics are shown in italics in the fabric patterns listed on this page.

For detailed information or fabric samples, please call Designtex Customer Service at 800-221-1540 or visit their web site: [www.dtex.com](http://www.dtex.com).

All Designtex fabrics are subject to availability, and occasional stocking conditions may affect delivery. Designtex reserves the right to discontinue patterns or colors. The selection of any Designtex Fabric on this list signifies only that the fabric has been accepted for use on August seating. This acceptance by August Inc. does not constitute any warranty, nor any responsibility on the part of August for the appearance, behavior, durability or upholstery characteristics of the fabric. The customer shall look to Designtex for all fabric warranties.

Direction of fabrics: all fabrics will be applied at the factory's discretion, unless the Customer specifies otherwise. Fabrics are normally applied with the warp running vertically on the seating. For sofas and extended seating units with an extended expanse of fabric without seaming, fabrics will be applied "railroaded", with the warp running from left to right across the sofa (and other units on the order). Contact August Customer Service for assistance with specificatio of directional patterns.
