## WARRANTY

August Incorporated warrants that, for a period of five years after the date of sale of its seating, the structure of the seating will be free from defects in the materials or workmanship or damage occurring from normal use. This warranty covers the structural frame of the seating. August Incorporated further warrants that, on the date of the sale of its seating, the foams in the seating will meet the physical test specifications listed in their then current respective technical reports and that the foams meet California Flammability Bulletin 117 as a minimum.

Fabrics and finishes, including Customer's Own Materials, plastic laminate, solid surface materials, grain and color of hardwoods and their finishes, and other components or mechanisms which August uses in its products are not covered by this warranty. Also not covered are custom products built to specifications not written by August, products which have been modified, and damage caused by improper installation, misuse or abuse, and fire, flood, or other accidental or intentional acts.

Under this warranty, August Incorporated will, at its option, either repair or replace seating returned to it freight prepaid, after an inspection has been made and it has been determined to be a failure covered by this warranty. If so covered, August Incorporated will pay return shipping charges to the customer, provided that such return shipment is made to an address within the continental United States.

This warranty is applicable to products sold by August Incorporated on and after January 1, 1995.

In no event will August Incorporated be liable for any special, indirect, incidental, or consequential damages, or for any charges or expenses incurred with or without August's prior written consent, even if August has been negligent. This warranty is in lieu of all other warranties, express or implied, including without limitation, any warranty of merchantability or fitness for a particular purpose or use or otherwise.
