This warranty covers the structural frame of the seating. August Incorporated further warrants that, on the date of the sale of its seating, the foams in the seating will meet the physical test specifications listed in their then current respective technical reports and that the foams meet California Flammability Bulletin 117 as a minimum.

Fabrics and finishes, including Customer's Own Materials, plastic laminate, solid surface materials, grain and color of hardwoods and their finishes, and other components or mechanisms which August uses in its products are not covered by this warranty.
