The Atrium Lobby is a central reception area, providing security at the entries, waiting and visitor meeting spaces. A bright airy space, it services a constant flow of personnel between elevators, conference, cafeteria and office facilities.

The Linear Series provides comfortable seating in architectural groupings. Practical as well as elegant, its black leather upholstery wipes clean in a jiffy. Reversible seat and back cushions, replaceable covers and sections which can be easily reconfigured yield flexibility to meet customer needs for many years to come.
