Colorado Springs, Colorado

What a pleasant way to visit the dentist! Each design detail adds to the welcome, from the curved reception area to the Laurel Series seating, comfortable for relaxing, with good ergonomic support.

Laurel chair 45° segments yield two seating places at each room corner and center the island seating arcs. Rectangular tables, chairs and mid-arms give a variety of waiting places. Fabric pattern of leaves in warm neutral tones, waterfall sculptures, plants and original artwork complete the relaxing natural setting.
