

M. Gordon Clarke Field House California State University at San Marcos

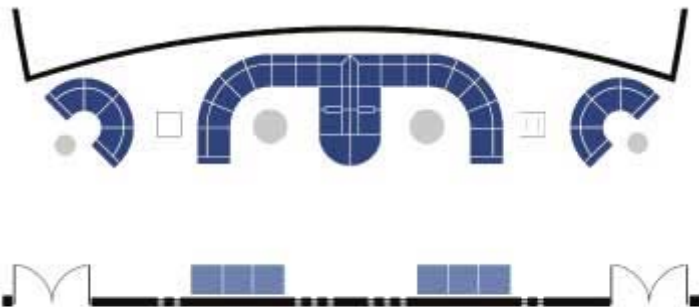

Atlantis blue laminate finish on plinth bases matches the walls and tile accents. Non-skid glides for the slick tile floor.

The M. Gordon Clarke field House brings a new opportunity to get fit and have fun on campus for faculty, staff and students. A fitness center, gymnasium, outdoor basketball and sand volleyball courts are among the athletic attractions.

Laurel Series chairs and benches turn a wide passage into a lounge to enjoy a timeout with friends and refreshments. Moisture proof crypton finished fabrics, "Infusion" on the chairs and "Chatterbox" on the benches along the wall, wipe off for routine cleaning. Site replaceable covers insure future maintenance and revisions to décor.

A trophy case displays the many awards earned by the college track team.
