Ready for a study break? Head over to the Student Center to find some friends. Socialize there, have snacks, try your hand in the Game Room, or catch a show in the TV Lounge. Fun spaces—comfortable places—Laurel Series seating provides the answer to a variety of floor plans and activities.

Arranged in a cross of four seating arcs, chair segments form the room's central focal point. For social events the groups can be separated and turned to create seating facing together.

Game Room

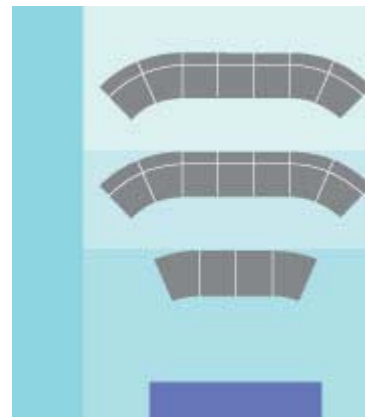

Laurel bench segments change the room's central column from an obstacle to an asset. Encircling the column with casual seating, they make a place to linger waiting a turn to play or cheering on players at the game tables.

TV Lounge

Executive movie screening room? No—a student TV +Video lounge. From the big screen to sleek black seating, its first class for comfort and design. Laurel chairs fit in maximum seating with style.

Black "Tuffalo" upholstery looks and feels like leather. But at half the cost, it's a practical choice for high use areas.

Laurel Series chairs 24" wide, chair segments 13 ft. diameter, and matching benches focus on the large screen TV
