

**Northwest Regional Library
Coral Springs, Florida**

Visiting the library is fun for the whole family at Northwest Regional Library, in Broward County. Located close to schools and shopping, it has special areas for reading, studying and project research for all ages.

Laurel Series chairs and segments create a bright, friendly family lounge by the front windows, with a smaller reading corner nearby. They make a comfortable place for parents and kids browsing for books at the shelves and working at the surrounding tables.

Teen Lounge

The Teen Lounge is a quiet room to help teens with reading and studying.

Laurel Series chairs and corner sections create a special place to relax in the Staff Lounge, too
