Rounded shapes and warm colors invite students to enjoy their visit to the library. The **August Series**® creates a friendly study area, offering a variety of chairs and corner sections for relaxed reading after working at the study tables or computer terminals.

The seating units can be used individually or together. The oblique turns a 90° corner with spacious seating; armless and end sections shown are 32" wide; they are also available in 48" and 64" widths. Floor pillows are 13" and 18" heights. The August Series offers all features and options, including site replaceable upholstery covers.
